Job Summary: This position will be responsible for comprehensive case management and care coordination to ensure a consistent and coordinated delivery of services for high-risk, high-acuity mental health consumers in Eagle County. The goal of the Behavioral Health Navigator position is to reduce barriers to care, work directly with the client to improve the mental health outcomes through supportive case management, provide early intervention, risk reduction, client education and empowerment.

The Behavioral Health Navigator will work within the context of a client-centered, recovery-oriented, wraparound approach, in partnership with mental health providers, agencies and physicians to promote: timely access to needed care, comprehension and continuity of care, client empowerment and the enhancement of client and family wellbeing.

Essential Duties and Responsibilities:

- Client assessment and need identification
- Care coordination with mental health and medical providers to improve access and continuity of care (may include home visits, assistance in attending appointments or other activities that support continuity of care)
- Convening care coordination meetings with providers when necessary to support needs of the client
- Care plan development and goal setting

NOTE: This job description is not intended to be an exhaustive list of all duties, responsibilities or qualifications associated with the job. Other duties may be assigned.

- Facilitation of referrals and coordination with community resource providers
- Client (and family) skill building – teach skills and help increase client self-sufficiency
- Updating and maintaining client records
- Tracking client outcomes
- Outreach, engagement and relationship building with medical, mental health and community providers
- Attendance and engagement in outreach and educational events

Essential Knowledge, Skills and Abilities

- Strong Interpersonal and communication skills and the ability to build and maintain strong relationships with clients, providers and colleagues from a variety of backgrounds
- General knowledge of mental illness, substance abuse, motivational interviewing, behavior change and suicide prevention
- Ability to produce written documentation, adequate tracking and maintenance of client records in a manner that is readily understood by other service providers
- Highly organized, ability to multi task and balance multiple cases in busy and sometimes hectic work environment
- Ability to demonstrate sound judgement when assessing the level of client’s need and appropriate referrals/ connections.
- Ability to operate from a client-centered approach; advocating, empowering and educating the client, maintaining professionalism, compassion and support of the client at all times
- Ability to summarize, articulate and advocate for client needs and communicate and implement improvements for service delivery to all providers involved in client’s care
- Knowledge of local/regional mental health system, agencies, partnerships and resources
- Ability to work in a cooperative and collaborative manner with physicians, mental health providers, psychiatrists or other community case management staff that are currently serving the patient
- Comfort level with public speaking and community outreach skills.
- Ability to build strong relationships and rapport within the community and providers to
- Self-driven and motivated

Essential Responsibilities Related to Client Privacy

- Expected to protect the privacy of all patient information in accordance with the District’s privacy policies, procedures and practices as required by federal and Colorado law, and in accordance with general principles of professionalism as a health care provider.
- May access protected health information and other patient information only to the extent that is necessary to complete job duties.
- Encouraged and expected to report, without the threat of retaliation, any concerns regarding the District’s policies and procedures on patient privacy and any observed practices in violation of that policy to the designated Privacy Officer.
- Expected to actively participate in the District’s privacy training and is required to communicate privacy policy information to coworkers, students, patients and others in accordance with District policy.

Values Based Expectations

Expected to act in accordance with our Mission, Vision and Values at all times.

Mission:

Provides skilled, professional and compassionate Emergency Medical Service (EMS) to our community.

Vision:

- To be a world leader in out-of-hospital healthcare.

Values:

- **Integrity**
Be honest, committed, and consistent in your words and actions.
- **Excellence**

NOTE: This job description is not intended to be an exhaustive list of all duties, responsibilities or qualifications associated with the job. Other duties may be assigned.

- Strive to continuously improve knowledge, practice and skills.
- **Community**
Be helpful, compassionate, and respectful in all interactions.
 - **Patient Advocacy**
Act in the best interest of your patients.
 - **Professionalism**
Be loyal, ethical and team oriented.
